MEMORANDUM FOR THE RECORD:

SUBJECT: Vital Materials Deposit Schedule - Comptroller's
Office

25X1A9a

1. I met with Miss [REDACTED] yesterday to discuss the status of the Vital Materials Deposit Schedule for the Comptroller's Office. She informed me that her inter-office V.M. procedure is in the TAS, Technical Accounting Staff, for review and release. She indicated that this review may take a considerable amount of time.

2. Further, she stated that she has established 15 June as the deadline for all staffs and divisions within the Office of the Comptroller to provide her with information necessary for establishing the schedules.

3. She said that the Fiscal and Finance Division schedules are pretty well along, but the Budget Division seems to be offering some resistance to cooperating with her request for a schedule.
